Subject: Tools & Plants - Purchase of a land rover by District
Board - Appointment of a Driver - Sanction & Recording.

This Board had purchased a Land Rover in March, 1951¹⁹⁵² in accordance to the scheme then introduced by the Government permitting District Boards to own a Mobile unit for imparting Audio Visual Education in various High Schools under the control of this Board. But the Land Rover could not be utilised for the purpose on account of the ban imposed subsequently by the Director of Public Instruction in his Proceedings No. 70-V.E.2/51 dated 18-12-51.

The matter was considered by the District Board as to what should be done with the Land Rover already purchased. The Board in its Resolution No.92 dated 22-7-1952 (copy enclosed) resolved that in the event of attempts to dispose of the Land Rover became unsuccessful, the Land Rover may be retained by the Board for its use by appointing a driver. Thereafter attempts were also made to dispose of the Land Rover by addressing the Chief Engineer, Highways, the Director of Agriculture and the Director of Animal Husbandry and other departments. Though the Assistant Engineer (H) & J.A. Coimbatore came and inspected the vehicle, no order was made by the Highways department later on. The Director of Public Instruction was again addressed to permit the Board to retain the vehicle for the purpose of imparting the Audio Visual Education. In reply the Director of Public Instruction in his Ref. C.No. 398-V.E-2-52 dated 15-11-52 stated that the Board will not be given permission to run a mobile unit and that the Land Rover could be advantageously used for other purposes.

As per the Resolution of the Board referred to above, a driver was appointed with effect from 15-8-1952 on a pay of Rs. 35/- p.m. in the scale of Rs.35-1-45 and his appointment continues. I may also mention in this connection that this Board is maintaining any other vehicle or car for its use.

In the circumstances stated above, I request you kindly to accord sanction for the post and approve the action taken in pursuance of the resolution of the Board already referred to above.

B. Venkaya Hegde
President,

ab/25-11.

South Kanara District Board.

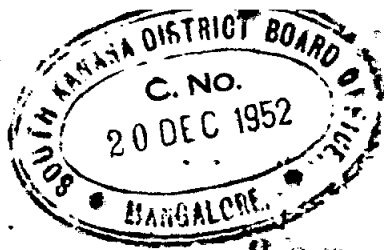

Extract from the Proceedings of the Meeting of the Members of the South Kanara District Board held on 22-7-1952.

Res. No. 92. District Board Resolution No. 18 dated 23-5-1952 resolving that the Land Rover may be sent to Mercara for trial as there is an enquiry from Goorg Government.

Also letter Dis. No. 6896 dated 30-5-1952 from the Chief Secretary to the Government of Goorg stating that the Land Rover offered by the President is not required by that Government.

Also office note stating that the Land Rover has not yet been sold in spite of all attempts made and that it is not desirable to keep it idle any longer.

RESOLUTION: "Attempts may be made to dispose of the Land Rover by the end of this month. Otherwise it may be retained and used by appointing a driver. The expenditure so far incurred in connection with the Land Rover is approved."

Sir,

SUB: ESTABLISHMENT - South Kanara District Board -
Appointment of a driver for the Land Rover for
touring purposes - Sanction of

REF: 1) From the President District Board, South
Kanara, letter Roc.3364-61-A3 dated 25.11.52
2) From the Regional Inspector of Local Boards,
(Western Range) Coimbatore Endt. N.Dis.1786/5
dated 30.1.53.

I forward herewith the letter Roc.3364/51-A3 dated
25.11.52 of the President District Board, South Kanara on
the above subject, with all its enclosures for orders of
Government.

The President District Board, South Kanara states
that the land rover purchased in March 1952 for imparting
Auto Visual Education in various High Schools is now used
by him for his touring purposes, as the Director of Public
Instruction, Madras, did not subsequently approve the
proposal to run a mobile unit. He has requested sanction
for the appointment of a driver on Rs.35 per mensem with effect
from 15.8.52. He has also stated that the attempts made by
the District Board to dispose off the land rover proved un-
successful. I do not consider that a land rover is necessary
for touring purposes.

In the circumstances, I request that Government may be
pleased to pass such orders as they deem fit in the matter.

resolved to retain the Land Rover for its
use by appointing a driver. Accordingly
